# About Mangalayatan University

At Mangalayatan University, we take pride in these two qualities being at the core of our existence. Mangalayatan (translated as the germinal bed of positive thought) aims to perpetuate a culture of hardwork, embracing change and preparing oneself for the fast progressing world with the latest skills and the highest level of social and personal values. Situated 20 km from the Yamuna Expressway towards Aligarh in Uttar Pradesh, Mangalayatan University was established in 2006 and has graduated over 7000+ students. Nearly 3500+ students from India and abroad are currently studying on campus.

Mangalayatan University vision is to give students from all kinds of background, a quality educational experience leading to legitimately rewarding career opportunities.

# Vision

To be an institution where the most formative years of a young mind are spent in the guided pursuit of excellence while developing a spirit of inquisitive questioning, an ability to excel in the pressure of a fast-changing professional world

# Mission

To be the enablers of the confluence of academic rigor and professional practicality.

To train students to be skilled professionals, with the hunger and ability to become leaders.

To hone not just the intellect of our students, but also their character and personality.

To bring global best practices to our students through widespread use of technology.

# About WILP

*Work Integrated Learning Programme*

WILP is a blended programme of learning with the working environment of professionals and providing them a platform to enhance their academic qualifications without breaking into the professional career.

WILP is also known for providing UG, PG degree, and diploma certificates through corporate partnerships to leading industries and customizing the plan according to the current requirements of technology and developments.
